

# INVESTOR DAYS

## WEDNESDAY 18 - THURSDAY 19 MARCH

Haymarket by Scandic, Hötorget 13-15, Stockholm

Investor Days is a quarterly recurring seminar that provides an opportunity for investors to learn more about some of the companies covered by ABG Sundal Collier through its sponsored research. We have also included additional non-covered small-/mid-caps that we believe will be of interest to investors. The companies will present their business and visions. Each presentation is 20 minutes, followed by a short Q&A.
